SELF-DEVELOPMENT OF THE HEALTHCARE PROVIDER: A CROSS-CULTURAL EXAMINATION

Nursing / Healthcare
Administration / Sociology

Comparing the American and Irish health care systems, you'll learn how culture shapes our professional self by influencing how we understand and value the world around us. Awareness of sociocultural influences on health beliefs and behaviors can equip future healthcare providers with skills to transform personal and professional practice. We'll also learn how cultural and historical influences shape modern healthcare practices by touring historic sites.
